Courts Data Project: Project Update

Rohit Musti, Omkar Bhat, Jack Verrier, Ari Klau

Innovating in the Public Interest

February 24, 2020

Completed

- All publicly available data scraping ready-ish *
- Backend database schema decided upon
- More use cases identified
  - Public Defender
  - Other government actors access the database
  - Need custom permissions for some groups
  - Challenge of expungement
- Identified new expansion opportunities

TODO

- Need to bypass captcha
- Need to set up scraping front end
- Need to set up backend database
- Need to set up front end GUI
- Need to containerize it all
- Need to expand to another city/state
